Re: Letter of Interest

Dear Mayor,

I want to express my interest in the Village Planning Committee for the Village of Kivalina. I am a lifelong member of the Native Village of Kivalina. I am an avid hunter and gatherer and support my family, extended family, and community in this way.

I want to be on the planning committee because of the importance of input to plan for further development in and around the land in which I live.

Please consider this letter an interest for the At-Large member on the VPC, Village Planning Committee for Kivalina.

Sincerely,

Re: Letter of Interest

Dear Mayor,

Please consider me for the Village Planning Commission At Large member for Kivalina. I am interested to be serving on the Village Planning Committee because I am from Kivalina. I am a member of the tribe of Kivalina.

I would like to be on the seat because it is important to provide input when development is in the early stages. I want to provide input and guidance to stakeholders as they plan for the new school, the evacuation road and school site access road, and the eventual relocation of residents of Kivalina.

Please consider me for the At Large member to serve on the Village Planning Commission for Kivalina.

Sincerely,

Frances S. Douglas  
Kivalina Resident
